## From Darkness to Brightness

Without a doubt, the darkness of COVID-19, the violent riots, the lying, accusatory and angry tone of politicians and those who support them is taking its toll. COVID-19 has created more sickness than its own viral effects. Some are experiencing a cabin fever that is meant only for the deepest part of winter. It's hard to plan events and ministry. It's hard to plan vacations or even get-a-ways. It's even hard to have simple fellowship. And if you do find some fellowship, don't mention anything political. Don't even joke about it. People are testy these days.

In Psalm 13, David is all alone in a cave. He is being pursued and the powers-to-be want him dead. It is a very dark time for him. Read the first two verses:

- <sup>1</sup> How long, Lord? Will you forget me forever?  
How long will you hide your face from me?  
<sup>2</sup> How long will I store up anxious concerns within  
me, agony in my mind every day?  
How long will my enemy dominate me?

David feels abandoned even by God Himself. He is filled with anxiety and wondering how long this will continue.

There are people all around us, maybe some of you reading this, who feel close to the same way. The virus has you paralyzed in the fear that even the necessary things like getting groceries, going to work, putting gas in your car will necessarily expose you to being sick and maybe even death itself. Their anxiety is through the roof. And who knows how long this will continue?

Look at the last two verses of Psalm 13:

- <sup>5</sup> But I have trusted in your faithful love;  
my heart will rejoice in your deliverance.  
<sup>6</sup> I will sing to the Lord because he has  
treated me generously.

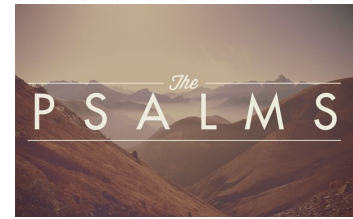

How did David get from verses 1-2 to verses 5-6? He is now trusting God's faithful love, rejoicing in deliverance and singing to the Lord for His generous treatment. The clue is in verse 3, "Consider me and answer, Lord my God. Restore brightness to my eyes; otherwise, I will sleep in death." David is crying out to the Lord and asking God to restore brightness to his eyes. In other words, "Lord, help me see You in this. Help me see it the way you see it."

David found God's greatness in his situation because he asked God to help him see it. I imagine that after David prayed this, he actively looked for God – remembering Who God is, what He has done as well as little clues of His work. What would happen if you and I did that every time darkness shadowed our lives? I imagine we would be trusting God more, rejoicing more and singing of His generous treatment.

Hmmn... "God, restore brightness to my eyes."

In His Glorious Light, Pastor Tim

**President Jim Gawerecki** called the meeting to order. Social distancing was observed. Devotions were led by Jim Otter by reading Isaiah 26:4, Trust in the Lord forever, and from a Daily Bread devotional. It told of an art contest to depict perfect peace. The judges narrowed it to two entries. One a peaceful scene, the other was a thundering waterfall and a branch with a robin sitting serenely. The second painting won because it showed perfect peace even in the midst of turbulent surroundings. In easy times you can be peaceful but in turbulence we can find peace in the Lord. Jim O. led in prayer. Laurie Bruns will lead devotions in September.

**Elders' Consultation:** Wayne Smith reported for the Elders. He submitted a pastor evaluation form they have used for evaluating Pastor Tim and Pastor Matthew. The elders also submitted Guidelines for CTK during a pandemic and/or shelter in place for the Trustees to review and decide if they want to be included in the CTK Policy book.

**Outreach was discussed;** Morgan M. moved to approve outreach, seconded by Dave S. Motion carried. The 20% outreach from the July contributions was a \$103 deficit of the amount needed for the regular monthly outreach disbursements, \$ 333 will be transferred from Thrivent to cover the deficit.

Brandie H. moved to approve, seconded by Laurie B. Motion carried.

**Pastor Matthew** submitted a report of activities for the last month. Most of his contact has also been through phone calls or zoom meetings. The San Antonio mission trip scheduled for August has been postponed to January 2021. A meeting will be scheduled for those interested in the trip. CTK Quilters & Church Family,

Thank you for the beautiful quilt and the graduation gift. Thank you for continually supporting me and praying for me. I have grown up with a pretty great "church family"!

- Hannah Minet

Christ the King,

Thank you for the impact you have had on my life. Thank you for the devotion book and quilt.

I plan to attend NDSU to study Biological Sciences in preparation for medical school.

Thank you for supporting me through the trials of the end of my senior year.

J. T. Tinklenberg

Thank you so much for all your prayers, calls, cards, and kind words before and after my knee surgery.

They tell me that I'm doing well, but it will be so good to have it all behind me and not hurt anymore.

I so appreciate having a church family like you all!

Carol Farmer

Thank you for your recent gift. I have often told people, "Thank you, your prayer and gift make a difference for eternity." It's true— when we pray for people and give to the Lord's work, it touches eternity. When we feel that we are helpless, we can pray. And when the Lord prompts us to give, it can move us to support ministry efforts.

Thank you for praying and giving, You make it possible to bring the message of eternal life in Jesus to the nations.

In His Service, Rev. Earl Korhonen, Director AFLC World Missions

## Missionary of the Month: Micah & Famke Berger & Naomi Missionaries to Uganda

AFLC missionaries Micah and Famke Berger and their daughter Naomi have left Uganda where they have worked with AFLC World Missions and taught Ambassador Institute classes since 2014. They are currently residing with family in Famke's homeland of the Netherlands as they await the necessary documentation to return to the United States. Because of COVID-19 restrictions, the applications for U.S. citizenship for both Famke and Naomi have been delayed. - World Missions Report

The following is an email received from Micah Berger Thanks for emailing us. It's encouraging to hear from those who are praying for us in the states. :-)

I'll try to give you a bit of what's going on with us lately. We're actually not in Uganda at the moment. We've relocated to the Netherlands recently to hideout from Corona. My health, and my wife's health hasn't been that great lately (Lymes for me and rheumatoid arthritis for her) so we're planning to take an indefinite leave from the work in Uganda and try to get back on our feet.

For the moment, however, we are still missionaries. And we do really appreciate your prayers for us. Our prayers for Uganda these days are that God would provide and uphold the people there during this time of difficulties which are being caused by the corona virus. With the resulting hit to the economy, lots of Ugandans are struggling to put food on the table. —especially those who live in the more urban areas. We're also praying for the government there, that they'd have the wisdom needed to make the most beneficial decisions for the people of Uganda.

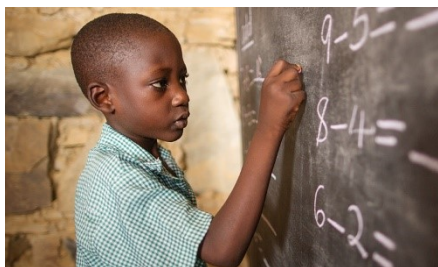

As for us, we could use some prayer for good health. We're also in the process of completing some paperwork before we can move back to the states (which is due to the fact that Famke and Naomi are Dutch and not Americans). So we're also praying for progress in that area these days.

Thanks again Collene for reaching out to us.

God bless, Micah Berger

### Prayer Needs:

- \* for wisdom, direction & clarity to follow God's calling for our ministry.
- \* for health issues and spiritual growth for our family
- \* for safe travel
- \* for the people of Uganda as they are facing increased hardships in the form of hunger and crime due to Covid-19 and increased government regulations.
- \* for peace during this time of transitions and immigration issues

### Teach Children to Read and Write

Recognizing the value of education, Samaritan's Purse equips teachers and rebuilds schools in some of the hardest-hit communities where we work. A typical school costs about \$20,000 per classroom. When you consider that over a thousand students may learn to read and write in that classroom in the years to come, that's just \$20 per student.

“When I said, "My foot is slipping," your love, O LORD, supported me. When anxiety was great within me, your consolation brought joy to my soul.”- [Psalm 94:18-19](#)
